

LIFE GROUP DISCUSSION GUIDE

AUGUST 2, 2026

Dive In (10 Minutes)

Go around and let everyone share... Tell about a time in your life when you faced an "overwhelming army"—a health scare, financial crisis, or family disaster—and you had to surrender the fight to God. How did He meet you in that space?

Dig Deep (40 Minutes)

Read 2 Chronicles 20:1-30 aloud.

- When Jehoshaphat learned that a massive army was coming against him, he was terrified—but his very next move was to set his face to seek the Lord and call a national fast (verses 3-4). Why is it so rare for us to make prayer our *first* response to a crisis rather than our *last resort* after everything else fails?
- Focus on Jehoshaphat's prayer in verse 12: *"For we are powerless against this great horde that is coming against us. We do not know what to do, but our eyes are on you."* Why is admitting complete powerlessness and confusion before God actually a position of spiritual strength rather than weakness?
- What does it practically look like to "take up your position" and "stand firm" in faith without taking control of the battle into your own hands?
- Jehoshaphat appointed men to sing praise at the *front* of the army, and as they began to sing and praise, the Lord set ambushes against the enemy. Why is worship such a powerful weapon in spiritual warfare? How does praising God *before* you see the outcome change your perspective on the problem?

Do Big (10 Minutes)

- How will you fix your eyes on the power and faithfulness of God rather than staring at the size of the "army" or crisis standing in front of you?
- How can you choose to worship and trust God for the outcome *before* the victory is even in sight, knowing the battle belongs to Him?
